1. Course Description

This class is designed to achieve Educational Goals 1, 2, and 3 of the General Basic Subjects. We will check basic elements of English grammar and learn essential knowledge about English pronunciation, which will improve reading, writing and communication skills.

2. Course Objectives

The goal is to improve English ability comprehensively, based on the English that I have learned so far.

3. Grading Policy

The result of the tests on the LMS, the exercises in class and the assignments (70%), and the midterm and the end-of-term examination examinations (30%)

4. Textbook and Reference

Textbook

JACET Listening Research Group Power-Up College English <Basic> Nanun-do ISBN 9784523185222

5. Requirements(Assignments)

Two types of classes will be offered : the one is using a textbook, and the other is with my original handouts.

Regarding the preparation for the classes with the textbook, do all the exercises in the textbook and take the tests on the Learning Management System. Listen to the sample voice over and over, and practice pronunciation until you can pronounce it the same way.

As for the preparation for the classes with the self-made handouts, please make sure to read the contents of the range of the handouts until you understand enough, and do all the exercises. You will have a review test in the next week's class.

6. Note

Classes will follow the order in the textbook. If there is any change of the order, advance notice will be provided in class. Supplementary materials may be provided in class.
