## Life Design Seminar I

Syllabus Number 8E101 Communication Subjects Requisites credit

## MATSUO, Koichiro

## 1. Course Description

- Classes are based on classroom presentations and discussions.
- The assignment will be given to the students each time based on the goal of the class by the professor in charge.
- Students will gather and organize necessary information concerning tasks presented in advance, prepare resumes, presentations, and discussions.
- We will conduct excursions as necessary to discover regional issues and students will explore clues for problem solving through group work based on that.
- Students are required to submit a report after the class ends.

## 2. Course Objectives

Based on Teikyo University's educational philosophy, Life Design Seminar will set the objective of the lesson to acquire the following three abilities necessary for universities and society:

- Social skills: Students can acquire expressive and communicative skills to accurately convey their thoughts to others.
- Self-educational ability: Students can think about their future and acquire the ability to learn systematically with awareness.
- Specialized skills: Students can acquire the ability to solve problems using expert knowledge learned in Department of Economics and Department of Regional Economics.
